Alumni case-study : Jack Walmsley

Dates at Madeley: 2012-2014

Subjects studied: BTEC Business, A-Level English, A-Level Health & Social Care.

Current status: Store Manager at Tesco.

Career Pathway

Since leaving Madeley Academy I have joined Tesco on a Trainee Management Programme. This was a two year course which took me from a Trainee Line Manager through to a Store Manager.

Advice for students:

I was hugely surprised at the opportunities Retail offers. I find it a largely overlooked industry but the pay and benefits with a large retailer like Tesco are very competitive.
