

Celebrating the success of Madeley students

Alumni case-study : Ravi Bhatia

Dates at Madeley: 2008-2015

Subjects studied: BTEC Level 3 Applied Science, BTEC Level 3 Business.
at Sixth Form

Current status: Trade Processing Analyst at JP Morgan.

Career Pathway

I decided to opt for the Apprenticeship route instead of going to university as I liked the sound of earning whilst learning. I am completing a Higher Apprenticeship in Investment Banking.

Advice for students:

Diversify yourself to become an all-rounded character. Experience as much as you can and develop your skills by taking part in a range of activities.
