

## Restaurant and Food Purchases

To facilitate a comfortable environment and enhanced cleaning, food will be purchased in colour coded food bags prepared in advance with some options for selection where possible. A simple pricing structure has been introduced at breakfast and lunch until further notice.

We ask for you and your child to consider in advance a preferred food option.

We kindly request where possible to have the correct change, although we understand this is not always possible.

Mrs Jan Dudley is available to discuss food allergies and intolerances with parents and carers in advance at the Academy.

We welcome parents and carers to discuss any concerns regarding allergies and intolerances, prior to starting the year.

Students and staff are always invited to discuss ingredients with Mrs Holloway, Catering Manager.

Menus are always subject to change and provisional.
