Dear Parent/Carer

Summer Holiday Mathematics Sessions

To try and support students during these difficult times, it has been suggested that some extra Mathematics tuition be offered to small groups of students. Your child has expressed an interest in attending these sessions.

The sessions are not compulsory, and will be undertaken if students show enthusiasm for attending. Students will be required to have their own complete set of equipment and a Mathematics calculator, which can be purchased from the Mathematics department if required.

Students will also be required to undertake a lateral flow test for Covid 19 before attending each session (kits can be issued from the Academy if required).

Students will have to indicate which sessions they will attend as a register will have to be taken. (Students should inform the supervising teacher via email if they are unable to attend a booked session to avoid the necessity of ringing parents or carers). Please indicate which sessions your child would like to attend and return to Miss Kelly by Monday 19 July 2021. The proposed sessions are:

✂-----

Please return to Miss Kelly by **Monday 19 July 2021**

Date and Time	I would like to book a place in this session
Tuesday 27 July – 10.00am – 12.00 Noon	
Thursday 29 July – 10.00am – 12.00 Noon	
Tuesday 3 August – 10.00am – 12.00 Noon	
Thursday 5 August – 10.00am – 12.00 Noon	
Tuesday 24 August – 10.00am – 12.00 Noon	
Thursday 26 August – 10.00am – 12.00 Noon
