

Frequently Asked Questions

Will there be a transition day or open day before the end of the summer term?

Due to government guidelines and recommendations, we have been advised against holding the scheduled transition days and open day. We have instead set-up the **'Year 6 Transition Tab' on the school website with regular updates and a guided virtual tour of the Academy.**

What will the arrangements be for starting school in September?

During these uncertain times, it is very difficult for the school to accurately outline the arrangements for September. We are however expecting all Year 7 students to be in school full-time as normal, subject to no further restrictions. Further discussions will be taking place in school over the coming weeks and once timetables are completed, we will intend to send them out in the post during the summer. Please be aware, we may refrain from sending out timetables and distribute them on the first day in September, so do not worry if you have not received your timetable.

Where can I purchase the school uniform from and school PE kit?

Please find the link to information regarding school uniform (Below). Students will be expected to wear FULL SCHOOL UNIFORM (blazer, tie, shirt, black trousers, black shoes or completely black trainers). We hold very high standards for uniform and expect students to cooperate with this.

What will I need to bring with me on the first day?

You will need to bring your own set of stationary (pens, pencils, ruler etc). You will be provided with the Academy bag and learning journal on the first day. You will need to bring either a packed lunch or money for lunch (unless you are entitled to free school meals).

When will I receive my starter pack?

You will be receiving a starter pack over the summer with further information about the Academy and information about the first day. Please be patient as we are continually updating information based on advice we are given from the government
