### **Student Induction Days**

Dear Parent/ Carer

Following the recent announcement from the government of the continuation of current restrictions to remain in place, we have been advised to **cancel the scheduled Induction Days** on the 8th and 9th July 2021.

We apologise for the inconvenience this may cause, but we will continue to ensure that the transition process is as smooth as possible to support our Year 7 cohort starting in September 2021. We are currently visiting all new students in their Primary schools to give an introduction to life at Madeley Academy, and give students the opportunity to ask any questions that they may have about the Academy.

We will continue to use the school website to provide updates and information. Please ensure that you check the 'Year 6 Tab' on a regular basis. A letter will be sent out during the summer with the starter pack and more information about the first day arrangements in September.

Yours sincerely

**Mr Hall**  
Year 7 Manager
