Year 6 Transition Update – 21/05/2021

Dear Parent/ Carer,

To keep you informed of any updates and information regarding the transition process for Year 6 students scheduled to begin at Madeley Academy in September 2021, we will continue to use the Year 6 Tab on the school website.

Formal letters will still be used for communication in regard to the upcoming Transition Days on Thursday 8 July and Friday 9 July, and please expect a letter during the summer in preparation for September.

Currently, we are in the process of visiting all of the students in their primary school setting and obtaining information about the students from their primary schools. We are also beginning to put together the programme for the Transition Days and will reveal the details in the coming weeks.

We are working very hard to ensure that the transition process is as smooth as possible for our new students and hope to ease any worries or concerns that you may have as a parent.

Please continue to use the school website and monitor the Year 6 Tab for updates. If you have any questions or concerns, please contact the school directly.

Yours sincerely

Mr Hall

Year 7 Manager
