

June 2020

Dear Parent/Carer

The staff and Governors of Madeley Academy would like to welcome you and your child to the Academy and congratulate you on securing a place. The Academy has been grossly oversubscribed this year and there will be a large number of appeals held for families desperate to secure a place. Could I please ask you to contact us immediately if for some reason you are unable to accept the place.

At this moment in time we are uncertain when the Academy will re-open to full capacity due to the COVID-19 pandemic. Based on Government advice the chances are highly unlikely that the Academy will be able to accommodate the new cohort of Year 7 on the previously scheduled induction in July. We will also no longer be able to hold the scheduled parents' evening. With this in mind, we would like to ensure you that we will be doing all that we can to support our new students through their transition period and will keep you regularly updated with any necessary information.

In preparation for September we have been informed that our uniform suppliers Baker & Son School wear (based in Wellington) is now open on an appointment only basis. Please refer to their website for further information and appointment booking details.

Please find enclosed two important documents; the first being the Home School Agreement (two copies - one for you to retain) which outlines a number of expectations the Academy has of students which require parental support. The second is the Comprehensive Data Form which contains personal information about your child. Please complete and return both documents to us in the enclosed stamped, addressed envelope.

Thank you for your understanding on these matters. We look forward to welcoming you and your child to Madeley Academy.

Yours sincerely

**Mr Hall**  
Year 7 Manager
