

Celebrating the success of Madeley students

Alumni case-study : Harpreet Sunner

Dates at Madeley: 2012-2014

Subjects studied: BTEC Diploma ICT and BTEC 90 Credit Applied Science

Current status: Studying degree in Computer Science at The University of Chester

Career pathway:

My ambition after completing my degree is to start up my own Information Technology business specialising in Computer programming.

Advice for students:

Work hard at school! Set out an action plan for the next ten years and find a way of getting there.
