

# Celebrating the success of Madeley students

**Alumni case-study :** Liam Kivlin

**Dates at Madeley:** 2008-2014

**Subjects studied:** A-Level Biology and BTEC Sport, Business and ICT

**Current status:** Working as a Budget Manager for the MOD, Joint Forces Command

## **Career pathway:**

Despite holding several university offers, I decided to apply for school leavers schemes and apprenticeships during my 6.2 year and was lucky enough to secure a higher apprenticeship with the Civil Service.

## **My long term career aim is:**

To work my way up within the Ministry of Defence and eventually work towards becoming Director General of Finance.

## **Advice for students:**

When considering options in Sixth Form definitely consider an apprenticeships pathway!
